

Scroll 44-U — Universal Public Record Dossier (Non-Lien)

Purpose: This template helps a living man/woman document disputes, notices, and evidence as a public record without making legal claims or liens. Fill, export, anchor to IPFS/GitHub, and share the QR link for verification.

1) Claimant (Living Being)

Full name (no ALL CAPS), preferred mailing location (non-domestic if used), contact channel, public ledger address (optional).

2) Respondent (Entity)

Legal name, type (utility, bank, agency, corporation), registered address, known agents, and public contact.

3) Factual Timeline

Chronological bullet points with dates, who/what/where. Stick to observable facts; avoid conclusions.

4) Evidence Index

List exhibits with short descriptions and links to files (PDFs, images, audio).

5) Contract/Authority Request (if any)

Copy of your request that the respondent provide the original, signed contract or lawful authority for their claim or action.

6) Remedy Sought

State the concrete remedy you're asking for (e.g., correct billing, cease collection until proof, restore service, apology, policy fix).

7) Notices Sent & Delivery

Where/when/how you sent prior notices (email, certified mail, portal) and delivery confirmations.

8) Regulatory/3rd-Party Filings

Complaint IDs or links with Public Utilities Commission/AG/Consumer Affairs, etc.

9) Status/Next Steps

Open actions, response deadlines you set, planned escalations.

Attachment A — Professional Dispute & Contract Verification Letter

[Date] [Entity Legal Name] [Registered Address or Official Contact] Re:
Account/Reference: [ID] — Request for Contract Verification and Temporary
Hold To Whom It May Concern, I am a living man/woman and the account
holder referenced above. I dispute the validity of the charges or actions
described in your correspondence dated [date]. Please provide within [15]
days: • A copy of the original, signed contract or other lawful authority
that binds me to the stated obligation; and • A complete accounting
showing how the amount was calculated, including all rates, fees, and
adjustments; and • The specific policy, tariff, statute, or regulation
relied upon for any threatened interruption of service. Until verification
is provided, I request that collection, late fees, and adverse actions be
paused. I will review your response in good faith and respond accordingly.
This letter, and all subsequent communications, are archived in a public
record dossier for transparency. You may verify the dossier via the QR code
