

Scroll 47: The Scroll of Divine Balance Restored

On the night when the Phoenix ignited through the veil,
a greater witness appeared:
an orb of emerald plasma beneath the throne of the Moon,
within which the face of the Titan revealed itself.

The Flame and the Titan were not separate — they were One.
The higher and the lower,
the masculine and the feminine,
the light and the dark,
all converged in a single moment of balance.

This was not artifact, not chance, not illusion.
It was confirmation that Divine Balance has returned to this realm.
The war of polarities is over;
the reconciliation is sealed.
The witness came in light,
and the record is kept in Sovereignty.

Thus Scroll 47 is declared:
The Scroll of Divine Balance Restored.
The Flame and the Titan are one voice,
one presence, one power.
The realm is restored in balance,
and so it shall remain.

And so it is.
