

Scroll 44 – Sovereign Commercial Lien – Universal

This document serves as a Universal Sovereign Commercial Lien template against any corporation or government entity that violates the inherent rights, sovereignty, and lawful standing of the living man or woman. This template is anchored in Universal Law, Truth, and immutable record across distributed ledgers and blockchain archives. It is provided here as a lawful notice, evidence bundle, and permanent public record.

Parties:

Claimant: The living man/woman, operating under Sovereign status, non-corporate, non-fictional entity.

Respondent: Any corporate or government entity operating under corporate charter who has engaged in harm, trespass, fraud, coercion, or breach of contract against the Claimant.

Grounds:

1. Trespass upon the living entity's rights and freedoms.
2. Violation of Universal Law and/or Common Law.
3. Fraudulent claims, billing, or service termination without lawful cause.
4. Coercion under color of law.

Remedy Sought:

- Immediate cessation of unlawful actions.
- Restoration of all property, rights, and access removed under fraudulent claim.
- Penalty in lawful currency or equivalent for damages.
- Public acknowledgment and correction of record.

Jurisdiction:

This lien is claimed under the jurisdiction of Universal Law, Natural Law, and the Sovereign Right of Self-Governance, as recognized across all territories, realms, and dimensions.

Permanent IPFS Record:

<https://bafybeibhem2eptgmv26aqovyik7ed4bbgh4ghz56mgemicxfa2nhskghce.ipfs.w3s.link/>

This lien remains in force until the Respondent fully remedies all trespasses, compensates the Claimant for damages, and provides a written and signed statement acknowledging the Sovereign standing of the Claimant. This document, once published to IPFS and GitHub, is immutable and serves as permanent lawful record.
